TENDER INFORMATION

APPOINTMENT OF VENDOR FOR THE DESIGN AND RENOVATION OF SRC EASTERN HUB @ UBI

1. Introduction

1.1. This Invitation To Tender (ITT) is for the appointment of a vendor for the design and renovation of the Singapore Red Cross Eastern Hub @ UBI (SDG Centre, Level 3) to function as a training centre for Humanitarian Education, Mental Health & Psychosocial Support, First Aid & Life Support as well as for logistics.

2. Background

- 2.1. Since its establishment in 1965, the Singapore Red Cross, in addition to the provision of humanitarian services, has equipped thousands of staff, volunteers and the public with critical skill sets relating to health, first aid, disaster response, emergency preparedness and more through its humanitarian learning arm, the Singapore Red Cross Academy (SRCA).
- 2.2. SRCA, one of the leading humanitarian training providers in Singapore, has trained more than 700,000 people over its 70 years of training experience.
- 2.3. SRCA launched the nation's first Psychological First Aid in 2016. Currently, SRCA has 6 training facilities located around Singapore.
- 2.4. As part of its strategic approach, SRCA empowers individuals and communities, locally and regionally, with life-saving skills through mutually reinforcing thrusts:
 - 2.4.1. Imparting life and humanitarian-related skills and knowledge that transform lives;
 - 2.4.2. Developing high-impact resources through accreditations and partnerships;
 - 2.4.3. Influencing positive change through advocacy.

3. Scope of Work

- 3.1. The appointed vendor will design and renovate Level 3 of SDG Center for ancillary training. This may include (but is not limited to):
 - 3.1.1. Undertaking the conceptualisation and execution of renovation for a simple design;
 - 3.1.2. Providing proactive feedback and strategic advice on relevant outcomes, trends, and opportunities;
 - 3.1.3. Undertaking the necessary preparatory work for the successful implementation of initiatives, such as liaising and securing buy-in from landlords, contractors and partners;

- 3.1.4. Providing relevant design and adaptation support for the development and renovation needs;
- 3.1.5. Providing regular progress reports and analyses, and sending updates.
- 3.1.6. Collaborating with other appointed vendors for installation of CCTV network.

4. Deliverables

- 4.1. Shortlisted vendors will be expected to present on their proposed design concept and quotation.
- 4.2. The proposals are to include all (but not limited to) the following elements:

2. **DEFINITIONS**

- 2.1 In this Agreement, unless the context otherwise requires, the following terms shall have the meanings assigned to them below:
 - 2.1.1 "Confidential Information" In this Agreement, "the Confidential Information" means information relating to the products, services, ideas, business, personnel, trademarks, copyrights, the intellectual property or commercial activities of SRC, including but not limited to formulas, systems and presentation, compilation, devices, concepts, techniques, processes, data which individually may, or may not be confidential, which information is not generally known to the public and either derives value, actual or potential, from not being generally known, or has character such that SRC has a legitimate interest in maintaining its confidentiality.

In addition, the undersigned agrees as follows:

- (a) All documents given by SRC will be considered as Confidential Information, whether or not marked with any proprietary notice or legend when the disclosure takes place.
- (b) To avoid engaging in any "design around" activities regarding the Confidential Information.
- 2.1.2 **"Vendor"** in this Agreement shall collectively include an individual, a team, a contracting firm as well as a corporate or organizational entity.
- 2.1.3 "Purpose" in this Agreement shall refer to the agreed scope of works.

3. NON-DISCLOSURE

3.1 Third Parties

3.1.1 The vendor shall not disclose Confidential Information to third parties. If such third parties disclosure is necessary, or about to be made for whatever reason, the vendor shall seek the written permission of SRC, and allow

SRC the opportunity to enter into a non-disclosure agreement, substantially identical to this Agreement, with the third party.

3.2 Acknowledgement of Ownership and Confidentiality

3.2.1 The vendor acknowledges and agrees that the Confidential Information that is disclosed to it by SRC, or that it acquires, sees, or learns of as a direct or indirect consequence of the discussions contemplated herein, and all dealings and transactions that follow or result from such discussion(s), are the exclusive property of SRC, and the undersigned will keep that information strictly confidential.

3.3 No Transfer of Rights

3.3.1 The vendor acknowledges and agrees that it shall not acquire any right or interest in the Confidential Information and that SRC shall remain the sole owner of the Confidential Information.

3.4 No Offer for Sale

3.4.1 The vendor acknowledges and agrees that the disclosure of the Confidential Information by SRC and the Vendor does not constitute an offer by SRC to the vendor for the sale, license or other transfer of the Confidential Information. Except as may be expressly set forth herein, neither Party shall have any financial or other obligation to each other respecting the Confidential Information.

3.5 Handling of Confidential Information

- 3.5.1 In consideration of the mutual exchange and disclosure of Confidential Information, each party undertakes in relation to the other party's Confidential Information:
- (a) to maintain the same in confidence and to use it only for the Purpose and for no other purpose and in particular, but without prejudice to the generality of the foregoing:
 - (i) not to make any commercial use thereof;
 - (ii) not to use the same for the benefit of itself or of any third party other than pursuant to a further agreement with the other party; and
 - (iii) not to use the same for the purpose of guiding or conducting a search of any information, materials or sources, whether or not available to the public, for any other purpose whatsoever.
- (b) not to copy, reproduce or reduce to writing any part thereof except as may be reasonably necessary for the purpose and that any copies, reproductions or reductions to writing so made shall be the property of the Disclosure;

3.6 **Return of Information**

- 3.6.1 The vendor will return to SRC any material in the undersigned possession or control that bears, embodies or refers to the Confidential Information to SRC promptly, when requested to do so by SRCS. The undersigned shall return all documents and materials (and all copies thereof) containing the other party's Confidential Information and certify in writing to the other party that it has complied with the requirements of this sub-clause in the following circumstances:
 - (i) within one (1) month of completion of the Purpose; or
 - (ii) within one (1) month of receipt of a written request from the other party;
