FAQ: Can SRFAC BCLS+AED Certified Instructors or SRFAC CPR(HO)+AED Certified Instructors conduct the OFA/OFA Refresher?

Answer: Assessor require to possess a holistic OFA Qualified First Aid Instructor as it will be considered a WSH Trainer (First Aid Topics Only) on learners' certificates / safety pass.

Standalone Certified Instructors are not recommended to conduct the OFA/OFAR Written Test, Practical Assessment on CPR(HO)+AED & Oral Questioning.

The SRFAC SFA Instructor Certificate cannot be used to conduct MOM Occupational First Aid Course.
