

LEARN A SKILL, SAVE A LIFE

Singapore Red Cross Academy (SRCA) has evolved over the last few years to become an Institute for Humanitarian Studies, offering training across four centres: First Aid & Life Support, Mental Health & Psychosocial Support, Humanitarian Education and Youth Development.

SRCA has a wealth of experience with 70 years of first aid training with quality assurance.

As a social enterprise, all proceeds from SRCA are channelled to uplift the lives of the vulnerable and enhance resilience in our local community. By engaging our training services, your social procurement will be directed to support initiatives that benefit the elderly, the disabled, children and families struggling economically.

WHY US?

Over
70 years
of first aid
training experience

700,000 people
trained by
our Academy

360,000 people
benefited from our
first aid talks

For the full list of courses, please visit redcross.sg/learn

Which course is suitable for your needs?

For groups and individuals (aged 7 & above) interested in learning to perform CPR with the use of an AED

CPR+AED Awareness Workshop (CAAW)* - Complimentary

What you will learn:

- Perform hands-only CPR effectively on unconscious adult casualties
- Use an AED (Automated External Defibrillator)

*Complimentary for Singaporeans and PRs

redcross.sg/caaw 

For CERT (Company Emergency Response Teams), NROC registered coaches, organisations, schools, families and volunteers

Accredited by the Singapore Resuscitation and First Aid Council (SRFAC). Approved by the National Registry of Coaches (NROC)

Standard First Aid (SFA)

What to expect?

- Identify common accidents requiring first aid treatment
- Apply first aid to accident casualties
- Apply hands only CPR+AED on unconscious adult casualties
- Manage a medical emergency in the community

redcross.sg/sfa 

For companies that need to meet the WSH Act requirements and individuals keen to be certified competent in their first aid skills and knowledge, compliant to the Ministry of Manpower guidelines

Approved by the Ministry of Manpower (MOM). Awarded ISO 29993: 2017 by SOCOTEC as an accredited Learning Service Provider.
Guided by: MOM Technical Notes, Curriculum Development Authority (CDA) and Singapore Resuscitation and First Aid Council (SRFAC).
23 / 17 CPD Points awarded to WSH Officers & Trainers.

Occupational First Aid (OFAC)

Become competent in:

- Managing victims of hazardous chemicals exposure
- Managing a medical emergency at the workplace
- Identifying common workplace accidents requiring first aid treatment

redcross.sg/ofac 

For those who may be required to manage crisis situations, or anyone interested in learning to connect with others in a non-intrusive and compassionate manner

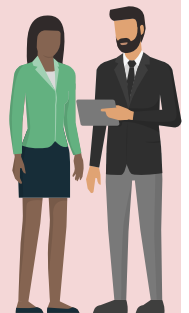

Endorsed by the Danish Red Cross with support from the International Federation of Red Cross and Red Crescent Societies (IFRC) Reference Centre for Psychosocial Support

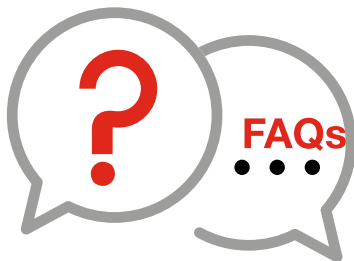

Psychological First Aid (PFA)

Key takeaways:

- Identify different types of crises
- Determine the signs of stress
- Gain basic competencies in establishing human connection in a non-intrusive and compassionate manner

Q: What is the minimum & maximum class size, and how many instructors will be deployed per class? (For SFA / OFAC)

*A: Practical session: 1 instructor & 1 manikin + AED to 4 learners
Lecture: 1 instructor to 8-16 learners
However, there might be changes depending on the Covid-19 situation. Please reach out to us to find out more.*

Q: Is there any funding from Skills Future?

A: Yes, funding for OFAC is available at 50%-90% off for first time Singaporean & PR users.

Q: How long will the certificate last, and can we mix a refresher and non refresher class??

A: 2 years of validity and unfortunately no, we can't mix classes as the content and duration is different.

Q: Can classes be conducted in my office?

A: Yes and a one-time equipment transport fee of \$120 will be charged. For OFAC classes, special approval is needed from the MOM appointed ISO Certification Body - SOCOTEC. We would need your floor plan, classroom photos & training address to facilitate the approval process.

Q: Any training aid requirements?

A: A laptop / PC (with Windows media player), LCD projector, sound system with classroom style set-up and ample open space for practical CPR & bandaging.

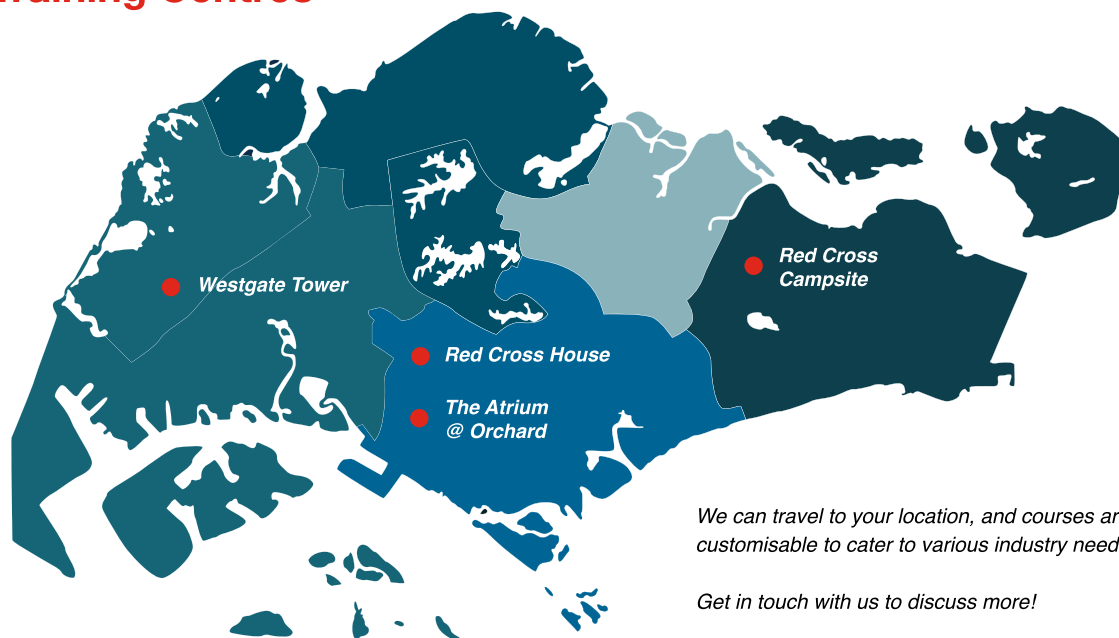

“I got the opportunity to learn first aid and I am thankful for that. It is a useful skill that everyone should be equipped with. You never know when these skills could come in handy as emergencies can happen to anyone, anywhere and at any time.”

Priya Choudhary,
attended Standard First Aid in 2019.

Our 4 Training Centres

We can travel to your location, and courses are customisable to cater to various industry needs.

Get in touch with us to discuss more!

Singapore Red Cross is a homegrown humanitarian organisation, dedicated to relieving human suffering, protecting lives and dignity, and responding to emergencies since 1949. We serve the vulnerable through the home and day activity centre for the disabled, transport aid, elder aid, and family life aid. We build capacity and resilience through our blood donor recruitment programme, our training academy, community first aid and volunteer and youth development. Beyond our shores, we mobilise and translate contributions from the donor community to relief and recovery, rehabilitation and reconstruction efforts, with the aim of helping communities affected by disasters.
